

**YES...
I would be
pleased to
support
NEW JOBS**

The New Jersey Organization for a Better State (NEW JOBS)

is the State business community's largest
and most effective political action
committee. **NEW JOBS** is a bipartisan
organization that supports probusiness
candidates for the State Legislature who will
work with the employer community to
**lower the cost of doing business,
build a better business climate,
and create jobs.**

Most individuals and corporations in New Jersey can make political contributions. Certain regulated industries such as financial institutions and utilities are prohibited from making corporate political contributions. Individuals and Political Action Committees from these organizations are permitted to contribute. Casinos and their employees are prohibited from making political contributions. Contributions and gifts to NEW JOBS are not deductible as charitable contributions.
